REMARKS

I've forwarded copies of responses to you so you can see what was done. On 93-1685 - Betty Berry had said it was an initial denial. CNSL Mac Donald said document was releasable. On 93-1092 - Alverding had said all records were releasable - they were not per CNSL/Koefer. You may wish to check with both these attorneys to understand.

DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions

Pursuant to 5 U.S.C. 552(b)(6), your request is initially denied with respect to portions of the documents listed below. The basis for this partial denial is 40 CFR 2.118(6). This section of the regulations promulgated under the Freedom of Information Act (41 Federal Register 36902, September 1, 1976, as amended at 43 Federal Register 40000, September 8, 1978, and 53 Federal Register 217, January 5, 1988) and the Freedom of Information Reform Act of 1986, exempts from mandatory disclosure records the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

1. July 7, 1982, letter (with enclosure) from Martha Steincamp to Mike Duvall; and
2. August 2, 1982, letter, from Mike Duvall.

You may appeal this initial determination by writing within 30 days of receipt of this determination to the EPA Freedom of Information Officer (A-101), 401 M Street, S.W., Washington, D.C. 20460. The appeal letter should contain a reference to the Request Identification Number (RIN), the date of the initial determination, and the name and address of the person who issued the denial. The appeal letter should also indicate the record which is the subject of the appeal.

Sincerely,

David A. Wagoner, Director
Waste Management Division
